The festival welcomes film submissions in the following four categories:

- Films from within the London Borough of Richmond upon Thames
- Films from the United Kingdom
- Films from outside the United Kingdom
- Films by film students

You may submit short films of all production techniques and genre including drama, documentary, animation etc.

The suggested theme for submissions is '**Where You Live**' and the films can be on any aspect of the area, way of life, attractions, culture, sport or environment of the entrants' home area. Please contact us if you need further clarification.

The maximum duration of films is 10 minutes. You may submit as many films as you wish, but you must complete an application form for each film you are submitting.

The person completing the application form must be authorised to submit the film for consideration and must have obtained necessary permission for the inclusion of copyrighted music and/or images within the films.

Festival Competition

Submissions will be watched and reviewed by an invited jury and films will be selected for screening as part of the festival. A shortlist will be chosen for the final screening event and awards will be given for the best films in each category. Successful entrants will be notified of their inclusion in the festival by 15th September 2020.

A list of all films selected will be made available on our website www.twickenhamfilmfestival.com.

Submission Format

Films for consideration by transfer (WeTransfer, Drop Box), USB flash drive or DVD. The title, screening format and running time must be clearly labelled on the DVD or cover.

Foreign Language Films

If the original language of any dialogue or text featured in the film is not English, the film submission must be subtitled in English. Any subtitles must be embedded into the film; DVD subtitles that can be turned on and off as required are not sufficient.

Deadline

All entry forms and film submissions must be received by midnight 31st August 2020.

Permission to Screen

By completing the application form and submitting a film to the festival the entrant gives full and unrestricted permission for the entrant's film to be screened at any time as part of the festival for the duration of the festival.
